## MEMBERS CHARTER

The aim of Benfleet Running Club is to promote running and all its associated disciplines...

BRC welcomes members of all ability levels and will provide structures to further all its member's aims...

- For members seeking competitive challenges. BRC will provide a structured training schedule aimed at maximising their potential. Will publicise and encourage the participation in local / national events, and enter teams into county competitions.
- For members looking to maintain a healthy but less competitive lifestyle. BRC will provide a balanced training plan to further their aims, and offer advice wherever requested.
- For members seeking a social outlet. BRC will provide a welcoming and friendly atmosphere on club nights, and organise social events throughout the year.

No activity or individual member will have precedence over any other, nor will they be discriminated against. It is BRC's fundamental aim that all present and future members receive fair and equal treatment.

BRC will actively promote the club and running, maintaining strong links within the local community, and supporting local charitable causes.

To further promote BRC and as a means of raising revenue for the benefit of all members, BRC will organise local running events which members will be encouraged to support.

As Chairman I will do everything in my power to uphold the aims of the club, will not discriminate against nor favour any activity within the club to the detriment of any other, and will treat all members equally and fairly.
