Benfleet 15 1998 Race Report

The 1998 Benfleet 15 turned out to be one of the most successful yet, with the race entries topping 300, and 279 completing the course. Cold weather, frozen pools and thick mud did nothing to dishearten the many competitors who went on to achieve personal bests on what has become a traditional build-up race for the London Marathon.

Winner Malcolm Packer of Louth AC (Lincolnshire) said of the race, "An excellent run, incredibly hard through the mud, I was neck and neck all the way with second placed man (Les Heath from Barking). I knew he had a good sprint finish, so 300m from the finish I went for it and just made it". Malcolm has done the run several times in the past few years and has been third and fourth and was determined to win this year and so he's delighted with today's outcome. He added "This is the finest race in the whole calendar and is well worth the journey". High praise indeed!

Ladies winner Alice Osborne, a previous winner of the Benfleet 15 returned to make it another successful journey across the Thames for the Medway runner. She had a very good run and enjoys returning to the race each year. This year she found the conditions to her liking despite the treacherous mud across the downs.

The traditional "First Past The Castle" awarded for the first male and female runners past Hadleigh Castle at approximately 7 1/2 miles went this year to the eventual winners Malcolm and Alice. The men's team prize went to Thurrock Harriers who improved on last years third place and in the Ladies event East End Road Runners pipped home club Benfleet RC.

All in all the day went very well for the Benfleet 15 and the over-riding message was to get your entry in early for next year as this race gets more and more popular every year. (Date for your diary - Sunday February 3rd 1999)

The organisers of the Benfleet 15 wish a **BIG THANK YOU** to all those involved with the race and especially the following:

Pete Johnson of The Runners Centre,
Mark Penn of Penn Sports
Fisco Products Limited
David Denton & Sara Baines of Ron Hill Sports

And also to: The Marshals, The St. John Ambulance Brigade and the Hadleigh Country Park Authority.
